Equality

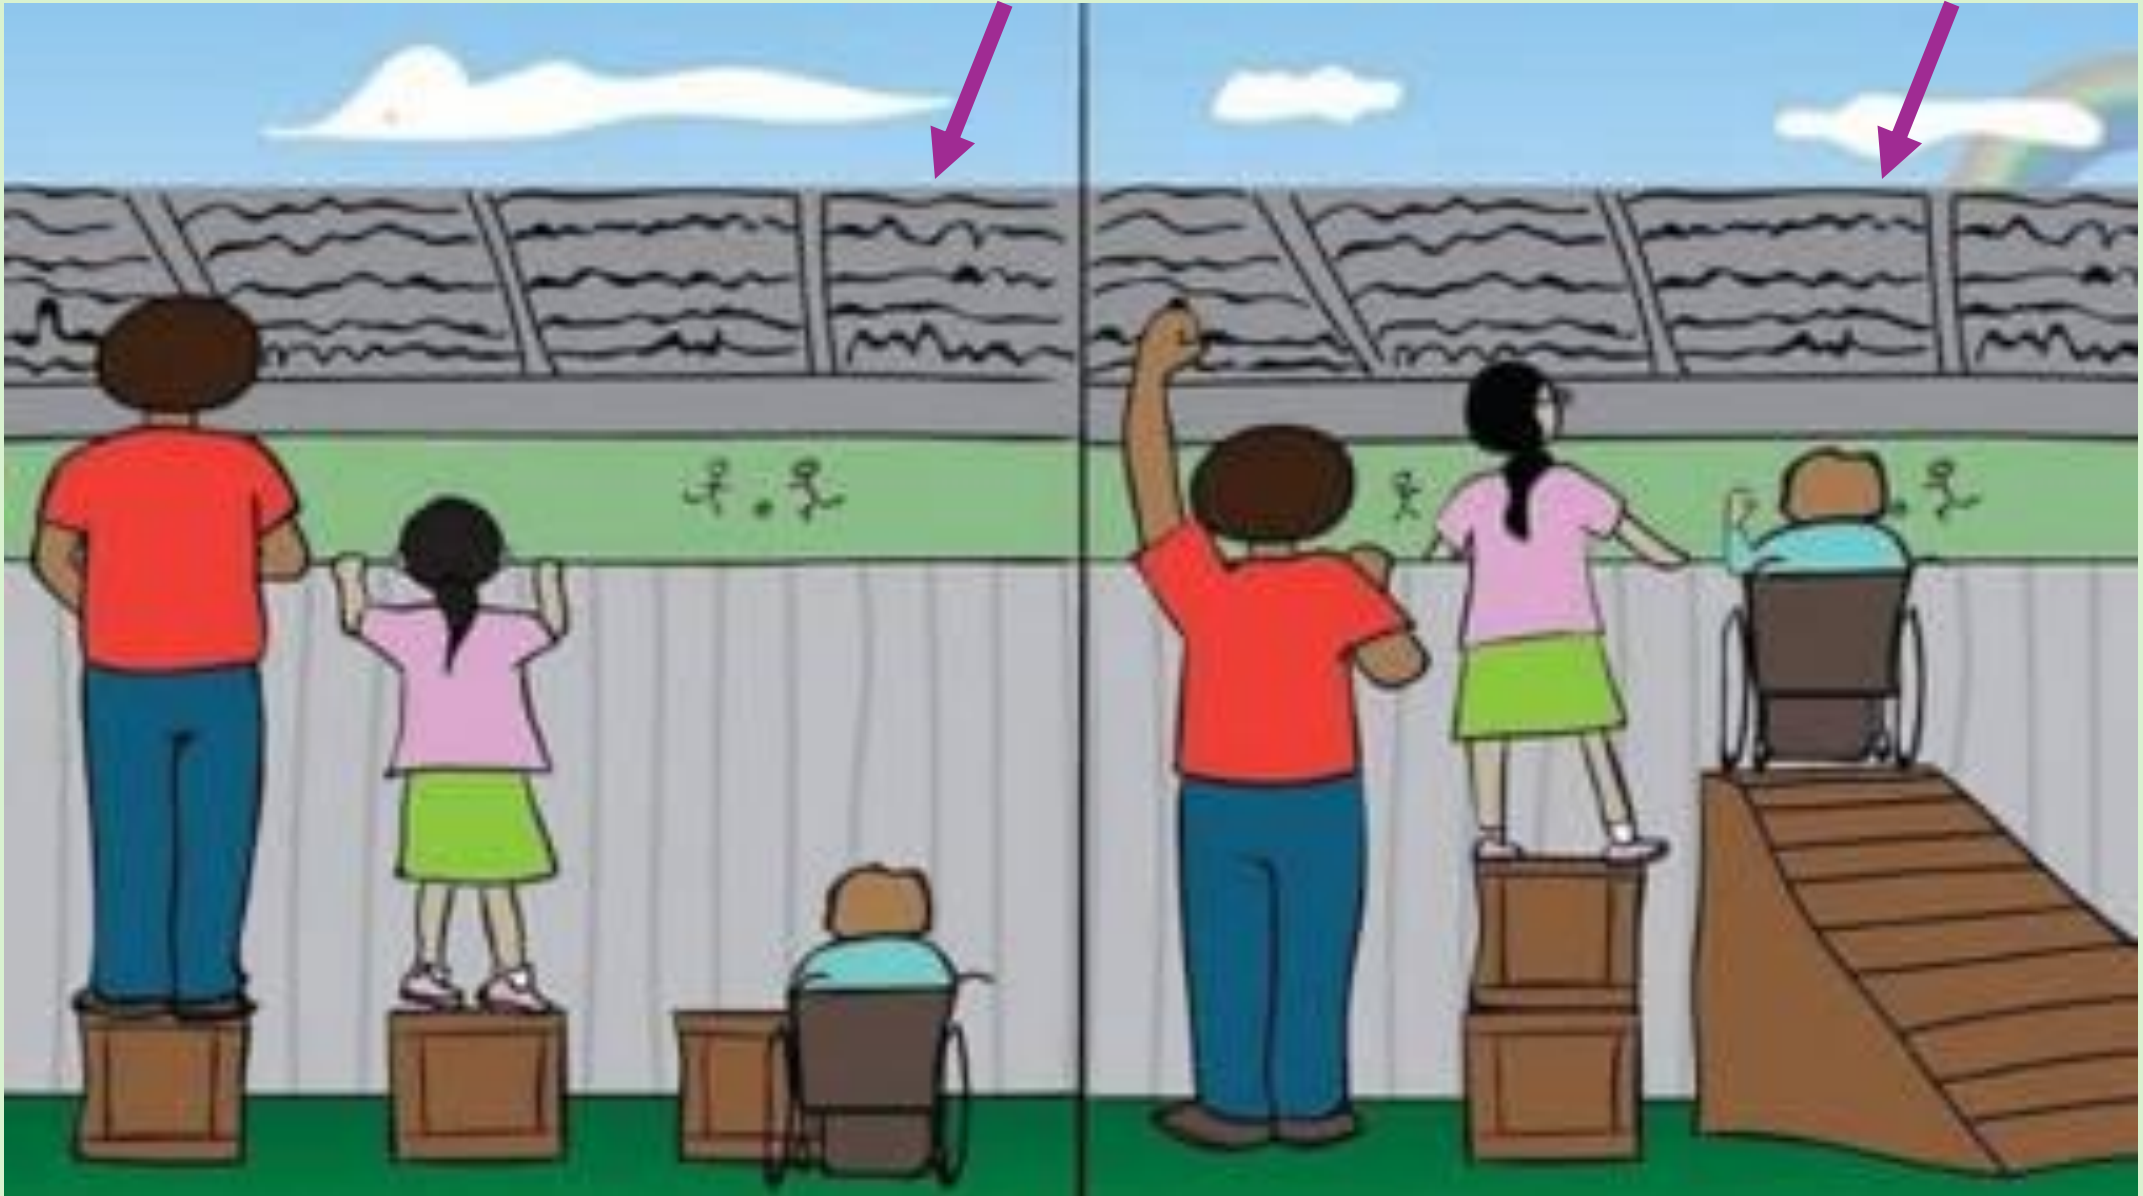

What does this image show you?

Equality V Equity

Equality means giving everyone the exact same resources or opportunities, while **equity** means providing each child with what they uniquely need to achieve an equal outcome, recognizing that not everyone starts from the same place.

Which picture shows **Equality** and which shows **Equity**?

Protected Characteristics

 <p>Equality Act 2010</p>	<p>Age</p> 	<p>Disability</p> 	<p>Gender Reassignment</p> 	<p>Marriage & Civil Partnership</p> 
<p>Pregnancy & Maternity</p> 	<p>Race</p> 	<p>Religion or Belief</p> 	<p>Sex (Gender)</p> 	<p>Sexual Orientation</p> 

How might these characteristics link with Equality and Equity?

Old Basford School

As a school we have children who need different things to help them achieve their best. Sometimes this does not always feel fair but that one change might be the difference between them being successful or not.

Can you think about something that helps someone else in our school?

What does the word mean to you?

Inclusion means making sure everyone feels welcome, valued, and able to join in no matter what they look like, how they learn, or what their background is.

It's making sure all your friends get a turn in a game and feel happy to be there, not left out.

Inclusion is about actively making sure that all children are included and can participate fully in a group or activity.

It's OK to be **Different**

We cannot do them all though! 😊

Fair isn't

EVERYBODY GETTING
THE SAME THING.

Fair is

EVERYBODY GETTING
WHAT THEY NEED
IN ORDER TO BE

successful.
