

Headteacher Update

2024 - 2025

No technology, mobile phone or electronic devices on residentials

Year 6 – Kingswood

Year 4 and Year 5 – Walesby

Year 2 and Year 3 – School Camp

Dear Parents and Carers,

As we prepare for our upcoming school residentials, I would like to inform you about some important guidelines to ensure a safe and enjoyable experience for all our children.

We kindly request that no mobile phones or personal technology, including AirTags, be brought on school trips and residentials. This policy helps us maintain a focused and distraction-free environment, allowing our children to fully engage in the activities and bond with their peers.

Rest assured that our staff will be in regular communication with you. Updates will be provided via the Arbor app and the Latest News section on our school website to keep you informed of the children's progress and any notable events during the trip.

The safety and well-being of the children are our top priorities, and these measures are in place as part of our safeguarding protocols. We are committed to ensuring that each child has a memorable and fun experience while being in a secure setting.

Any forms of technology found on pupils or in their belongings whilst away will be held securely for the duration of the trip by the staff and returned to an adult upon arrival back at school.

Thank you for your understanding and support. If you have any questions or require further clarification, please do not hesitate to contact us.
