### Manners and Respect

One of our school rules is respect and we teach the children about what this looks like and how to show and receive it, please can I remind all parents that they also need to show respect towards all school staff. There has been an increase in parents not conducting themselves appropriately on site. We are all human and have feelings and of course we will listen but we are not here to be shouted at, intimidated or spoken to in an aggressive manner.

### End of Year School reports

On Monday 21<sup>st</sup> July, your child will be coming home with their end of year school report, that has been written by their class teacher. Please take the time to read these reports carefully and complete the feedback form enclosed if you would like to pass on any messages to the current teacher. Positive messages go a long way.
