

FREE OBS AFTERSCHOOL ACTIVITY CLUBS

Every term we run a selection of **FREE** after school activity clubs for the children as part of our Opportunities Bring Success school statement. The clubs we offer change each term and are rotated to different year groups to give all children the opportunity to attend a club throughout the year.

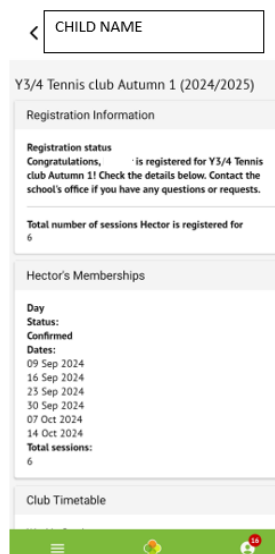

All information regarding these clubs will be sent out via email to the specific year groups prior to each half term holiday. Once this information is sent, as parents/carers you will be able to request a place for your child to attend the activity clubs offered to you. This is done via a Microsoft Forms link on the club letters and must be submitted prior to the closing date stated on each letter.

Spaces on our clubs are booked on a first come first served basis. Our OBS Activity Clubs are very popular and we cannot guarantee a place on certain clubs due to availability, therefore we hold a waiting list and refer to this should a place become available.

Confirmations of your child's place on the clubs will be sent via Arbor message, this includes a confirmation if your child has been put onto a waiting list. If you have applied for clubs and do not receive a message, please contact the school office.

In order to ensure that every child has the opportunity to attend a club, if your child does not secure a place on a particular club on the first instance, we will try to ensure they secure a place on another club throughout the school year.

Once your child has secured a place on one of our Free OBS Activity clubs this will be updated to your child's Arbor account. Information including the dates the clubs run and times will be displayed under the club's header (as per below).

If for any reason the club is cancelled or changed to a different day, we will always contact you as soon as possible so you can make alternative collection arrangements beforehand.

Due to the popularity of our clubs, we enforce a rule that should your child fail to attend a club twice, their place will be withdrawn and offered to another child. If there is a reason that your child cannot attend, i.e. illness, other reason, please contact the school office.

We really hope that all children have an opportunity to enjoy the clubs we offer and look forward to seeing them having fun over the coming weeks. As always, should you have any queries regarding our free afterschool activities, please contact the school office who will be happy to help.
