Dear Parents/Carers

As part of our Year 1 studies on the topic of 'Night Adventure' we are planning a special educational experience

Year 1 – Owl Adventures – Friday 7th November

The literacy book we are focusing on is 'The Owl who was afraid of the dark'.

This experience will really bring this topic 'alive' and it is intended to be exciting as well as informative.

This will be led by a company called 'Owl Adventures' and will take place on the school field for the morning of Friday 7th November. Owl Adventures are an expert falconry centre who cater for a variety of needs in various settings.

The children will have a 'Hands on' experience of holding and flying these mesmerizing birds of prey, they will also be learning about how to care for owls and lots of other interesting facts. Old Basford teaching staff will be present at all times. There will be no pressure for the children to touch the birds if they do not wish to, they can just observe.

The cost of this event is being partially funded by Old Basford School, but we will be asking for a contribution towards the experience of £5.50 (£4 if your child receives benefit related free school meals).

Payments can be made online via the Arbor App (scroll down to Activities, Trips select 'Owl Adventures' Add Payment Green tab enter amount and press Pay Now Green Tab, it will then ask for your card details). Please make payment no later than Tuesday the 4th November. If you have any questions, then please contact the school office

We know that your child will enjoy this opportunity we look forward to seeing them thrilled by the experience.

Yours sincerely
Year 1 Team
