

Year 1 creative homework project

We have begun our new topic, 'Around the World'. To celebrate the children's own experiences and aspirations we would like them to tell us about where in the world they have been, or would like to go. This project is an opportunity to be as creative as you can.

You could build models of landmarks you have seen on holiday, create photo collages, make a map or travel guide. Your project doesn't have to be about somewhere abroad, it could even be Nottingham. The choice is yours!

The children will then all have the opportunity to share their projects with their class. We can't wait to see what you create year 1!

Due in Friday 4th April 2025

Thank you,

The year one team
