Dear Parent/Carer,

Principal ~ Mr Andy Smith

Choosing the right secondary school for your child can be difficult. At Djanogly City Academy we can offer your child a first-class education in a caring and supportive environment.

Everyone at Djanogly City Academy is an extremely proud partner in the success of our Academy. We have for the past number of years now been one of the most successful schools in the city. Selecting Djanogly City Academy as your number one choice of school will enable your child to experience a family community, embedded within a safe, positive, encouraging and nurturing culture - one in which every success is acknowledged and celebrated.

Our mantra is, 'Achievement: No excuses' and we will support your child to achieve the results that will open doors to further study and, just as importantly, lead your child to become an independent and effective leader in society, intent on and capable of making a real difference to our world.

This year our Head of Scholar Transitions, Mr Whittingham, will be visiting a record number of primary schools within the city to support the young people in their preparations for moving into secondary education. Assemblies will be delivered to year 6 cohorts across the city to inform prospective scholars of the changes at secondary school and answer any questions they may have.

I would love to invite you all into our academy to witness live our first-class teaching and outstanding resources and to experience our business-like ethos. These are primarily for parents and their children who are eligible to apply to the academy for entry into year 7 in September 2025. We will also have videos on our website to encourage you to make Djanogly City Academy your number one choice for your child's secondary education.

The following are available by prior booking only:
