

Dear Parents/Carers,

Dear Parent,

RE: National Numeracy Parental Engagement Project

Old Basford is delighted to have been selected to work with the independent charity National Numeracy on an exciting project which encourages children and families to do maths together. The project aims link the maths that children are learning at school with life outside the classroom.

National Numeracy is keen to hear from parents, pupils and teachers about the project and about their feelings around maths.

The attached poster gives a little more information about this and has a QR code to the survey.

A link the survey is also below:

[Parent baseline 2023 Nottingham \(typeform.com\)](https://www.typeform.com/survey/parent-baseline-2023-nottingham)

We would really appreciate as many responses as possible to help us ensure that this project is a huge success.

Thanks for your support with this project.

Mr Hill
Old Basford School
Maths Lead
