9TH January 2024

Dear Parents and Carers,

As you are all aware, Year 6 children will be taking their Standardised Assessment Tests (SATs) during the week beginning 13th May 2024. Surprisingly, this is only 15 school weeks away!

As part of our revision schedule, we are going to be investing a large amount of time and funding into a tuition programme for selected Year 6 pupils.

**YOUR CHILD HAS BEEN SELECTED TO RECEIVE FREE MATHS TUITION
IN ORDER TO HELP THEM ACHIEVE THEIR VERY BEST!**

This tuition will take place after school on a Thursday. Your child will be tutored in a small group by an experienced member of staff and this opportunity is completely **FREE OF CHARGE!**

The after-school Maths tuition will begin on Thursday 18^h January and will run for 9 weeks (please see table below for specific dates). It will start at 3.25pm and will finish at 4.25pm.

We have run tuition previously at OBS and it is always extremely successful in raising not only children's attainment and progress but also their self-esteem and confidence.

As we can only offer this valuable experience to a select number of our Year 6 children, we are asking that you and your child make a commitment to attend **all of the 9 sessions** (unless there is a valid reason).

Please use the following link to respond to state whether your child can attend tuition on a Thursday until 4.25pm and whether they will be collected from the school reception or whether they can walk home on their own.
