

Mrs Duffin's Headteacher Updates

2023 -2024

Tuesday 7th November – Goodbye Mr Hill

The rumour mill has got to some parents quicker than I would have hoped, but sadly the information is correct – Mr Hill is leaving Old Basford School at the end of Autumn Term.

Mr Hill has worked at OBS since 2013 and in that time has made a huge difference to the pupils he has taught and the wider community of school. The decision to leave was made with a heavy heart and with lots of deliberations but an opportunity at a school closer to home came up and with a young family one that just made sense.

Within the classroom and on the sports field, Mr Hill has impacted the hearts and minds of many. Mr Ross has a big job on his hands keeping the football team running and being the success we know and now expect! I know you will all join me in wishing Mr Hill lots of luck in his new school but for now, it is business as usual for the next 7 weeks.

On Friday, I am interviewing for a new Year 6 teacher and Maths leader to ensure the pupils in Year 6 but especially Class 14 have time to transition and a smooth handover is completed between the two members of staff.
