National Numeracy parent workshop at Old Basford School

Dear parent/carer,

As you know, National Numeracy is working with Old Basford School this year on a project encouraging families to do maths together.

As such, we are inviting you to attend National Numeracy's workshop for Old Basford parents & carers. This is being held at the school on **Thursday 23rd November at 9am.**

The workshop duration will be **approx. 1 hour**. The workshop is not a maths lesson, nor does it teach any maths. It is focused on building positive attitudes towards numeracy and how you can ensure that your children develop these too. The session will cover the importance of maths in the real world, being positive about maths, and how to boost your own number skills as an adult.

We would be delighted to welcome you to the session, if you are able to could you please complete the Microsoft form confirming your attendance.
