YEAR 6 JARBOLA!

For the Summer Fair, Year 6 are going to be running a JARBOLA stall! Please could you save your jars at home, wash them out and fill them with anything that will fit in! It could be sweets, stationary, small toys, bath bombs, hair accessories, Lego, fidgets etc. You might even like to make one filled with something silly (it could be rice, sugar, salt, pasta, slime) so it is more exciting to see which one you are going to win!

To raise as much money as possible for school, every child in Year 6 must make and bring in at least one jar. If you would like to make multiple jars, then please go for it!

Thank you, Miss McCulloch & Mrs Jones
