TIMES TABLES HOMEWORK

We will be completing our Times Tables assessment during the first week back after the holidays (week of 3rd June).

Please can you practise **ALL** times tables as much as possible over the holidays. Children will be given another copy of the booklet of ideas previously sent home. As a minimum please use 'Multiplication tables check' on the 'Maths frame' website, this is very similar to the test the children will complete.

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

Thank you for your support,

Year 4 team.
