Dear parents/carers

We are no longer using the local authority for Free School Meal eligibility checks, if you think your circumstances have changed and that you might be eligible for Free School Meals you can now enter your details using the link below, once you have submitted your details the system will let you and school know if you are eligible.

Please note if you already receive Benefit related Free School Meals you DO NOT need to apply

<https://apply.cloudforedu.org.uk/ofsm/oldbasford>

This will take a couple of minutes to complete, but the response is quite quick. Please contact the school office with any queries.
